NEW! Zip Kits for '08-Up TBW Touring Bikes

*No new bike responds to
simple intake and exhaust
upgrades like a Harley®!*

That's why Zipper's Performance Products developed the Zip Kit for throttle-by-wire Touring models. Included in the Zip Kit is a Zipper's MaxFlow performance air cleaner, performance exhaust of your choice and the cutting-edge ThunderMax with AutoTune EFI Controller for throttle-by-wire models. The ThunderMax is the industry's first and only EFI engine management system developed specifically for throttle-by-wire models.

ThunderMax gives you the flexibility of future performance upgrades with the download of a new map. Bolt on and plug-in the Zip Kit to enjoy immediate power, performance and drive-ability gains that get better with each ride. For an even more dramatic performance gain, include Red Shift Cams.
